

Edit Class Settings

The Settings for an Active Class can be changed at any time. On your **Classes** page, you will see a table of **Active Classes**. A series of buttons are displayed to the left of each class. Tapping on the pencil icon will open the **Class Settings** panel for that particular class.

Active Classes

Here are your classes.

(Don't see the Add New Class button? Prev

Add New Class

	Name	Students	Seats	Features	Seats Per Student
	Period 1 Physics	3	6	5	2
	Period 2 Physics	1	2	5	2
	Period 3 Physics	0	0	5	2
	Period 5 Chemistry	0	0	5	2
	Period 4 Physics	0	0	5	2

Tap to open **Class Settings** panel and edit
